UPDATE, June 25, 2024: Bryan Gomez's remains have been positively identified after being found in the woods in Cavendish in 2020. The cause and manner of his death remain unknown. He was reported missing on July 6, 2010, after not being seen since June 10, 2010. Bryan was reported by a neighbor after not seeing him for a few weeks and after the initial report his case worker called for a welfare check, as they had not heard from him since June 1, 2010.

Bryan was reported to have some mental health limitations, no known vehicles, and to move around by hitchhiking. He had family in the Springfield, Vermont, area, but had not been seen or heard from since he was reported missing.
